

Response Dated September 12, 2005  
Response to Notice of Non-Compliant Amendment 08/12/05

Application No. 10/007,824  
Attorney Docket No. 005222.00143

This listing of claims will replace all prior versions, and listings, of claims in the application.

**Listing of Claims:**

1. (Original) A method for establishing a virtual university, comprising the steps of:  
connecting a virtual university server and one or more users;  
selecting a destination within the virtual university server to interact with the one or more users;  
coupling the one or more users through the virtual university server based on the selected destination; and  
establishing interaction parameters for the one or more users based on the selected destination.
2. (Original) A method for establishing a virtual university as recited in claim 1, wherein the destinations include a virtual student union where users can interact using a bulletin board or other collaborative functions.
3. (Original) A method for establishing a virtual university as recited in claim 1, wherein the destinations include a virtual library where a user can use resources, consult with a virtual librarian, search for resources and collaborate with one or more other users..
4. (Original) A method for establishing a virtual university as recited in claim 1, wherein the destinations include a virtual administration office where a user can register for courses, search a directory, utilize a class locator, consult with the administration help desk, add a course, drop a course and utilize a career center.
5. (Original) A method for establishing a virtual university as recited in claim 1, wherein the destinations include a virtual classroom where a user can learn, view a directory of other students in a class, view materials, grades, announcements, homework, review old tests, administer tests, ask questions of an instructor, enter a breakout room, review lectures, view the class schedule and view research topics.
